In consideration of the covenants hereinafter contained by and on behalf of the County and the Union, it is mutually agreed as follows:

ARTICLE I

Intent and Purpose

1.1 The parties recognize and declare the necessity of providing the most efficient and highest quality services for the citizens and taxpayers of Osceola County, Iowa.

1.2 The parties further recognize and declare their mutual desire to promote harmonious and cooperative relationships among the County, the Union and the employees covered by this Agreement, and to assure effective and efficient operations of Osceola County.

1.3 It is the intent and purpose of the parties hereto to set forth an Agreement containing the negotiated understandings of the parties respecting wages, hours of work, and certain terms and conditions of employment to be observed by the parties hereto, to provide a procedure for the prompt and equitable resolution of any claimed grievances, and to

4

prevent any strikes, work stoppages or other interruptions of work or interference with the County's operations.

ARTICLE II

Recognition

2.1 The County recognizes the Union as the sole and exclusive collective bargaining agent for those employees in the following described unit:

All regular full-time patrolmen, equipment operators, and mechanics; excluding the county engineer, his assistant, engineering aides, the office secretary, and all other persons excluded by Section 4 of the Act, and further excluding all other employees of Osceola County, Iowa, and its boards, commissions, agencies and departments.

ARTICLE III

Definitions

3.1 A regular employee is a full-time permanent employee who has completed his probationary period.

3.2 A permanent employee is one whose employment is intended to be permanent rather than for a limited, temporary period or purpose.

3.3 Part-time employees, and temporary employees hired to cover situations such as seasonal demands or replacements for absenteeism or vacations shall not become regular employees under this Agreement.

3.4 A probationary employee is one who has not completed his first six (6) calendar months of continuous service with the county as a full-time permanent employee. During the probationary period, such employee may be

terminated at the discretion of the County and the County may otherwise discipline, lay off, or suspend such probationary employee for any reason. The County may hire such employees as it requires to conduct its operations with the understanding that those employees are on trial for six (6) calendar months and the county shall be the sole judge of the competency of the new employees during said period.

3.5 The grievance and arbitration procedures provided herein shall not be applicable to any employee until he becomes a regular employee.

3.6 Except where the context clearly indicates otherwise, the word "employee" when used in this Agreement shall be limited to mean "regular employee".

ARTICLE IV

County and Union Rights and Responsibilities

4.1 The Union recognizes its responsibilities as the exclusive bargaining agent of the employees described above in Section 2.1, and realizes that in order to provide maximum opportunities for continuing employment and fair compensation, the County must be able to operate efficiently and at the lowest possible cost consistent with fair labor standards. The Union, therefore, assumes responsibility for cooperating in the attainment of the goals and agrees: (a) that it will cooperate with the County and support its efforts to assure a full and fair day's work on the part of its employees; b) that it will actively combat absenteeism and any other practice which restricts efficient operations of the County; and (c) that it will earnestly strive to improve and strengthen good will between and among the County and its employees, the Union, and the public.

4.2 In addition to all powers, duties and rights of the County established by constitutional provision, statute, ordinance, charter or special act, the Union recognizes the powers, duties and rights which belong solely, exclusively, and without limitation to the County, including, without limitation on the generality of the foregoing, the right to manage the County's operations and to direct the working force, the right to hire employees, the right to maintain order and efficiency, the right to extend, maintain, curtail or terminate operations of the County, to determine the size and location of the County's operations and to determine the type and amount of equipment to be used, the right to assign work, the right to determine methods and material to be used, including the right to introduce new and improved methods and facilities and to change existing methods and facilities, the right to create, modify and terminate departments, job classifications and job duties, the right to subcontract, the right to transfer, promote and demote employees and the right to discipline, suspend and discharge employees for cause, and the right to lay off, the right to determine the number and starting times of shifts, the number of hours and days in the work week, hours of work, and the number of persons to be employed by the County at any time and the right to enforce and require employees to observe rules and regulations set forth by the County; provided, however, that these rights will not be used for the purpose of unlawfully discriminating against any employee because of his membership or nonmembership in the Union.

4.3 The list of management rights set forth in Section 4.2 is not exclusive and it is understood that except as specifically and expressly modified or limited by this Agreement all of the rights, power and

7
authority and prerogatives the County has prior to this Agreement are retained by and reserved to it and shall remain within its exclusive control.

4.4 The County and the Union will cooperate to the fullest extent and share a mutual responsibility to assure that there shall be no unlawful discrimination against any employee by the County or Union because of race, creed, color, national origin, sex, age, disability or religion.

4.5 The County will not interfere with the right of its employees to become members of the Union. The Union will not interfere with the right of the County's employees to refrain from Union membership. There shall be no unlawful discrimination by the County or the Union because of membership or nonmembership in the Union. The union agrees neither it nor any of its officers or agents will engage in any Union activity which will interrupt or interfere with the operations of the County.

4.6 For purposes of investigating pending grievances and collecting dues, a duly authorized representative of the Union shall have access to County premises with supervision's prior consent. The County will cooperate to facilitate such visitations, and the Union will not interfere with or interrupt the County's operations or the work of its employees.

ARTICLE V

Hours of Work and Overtime

5.1 This Article is intended to set forth the normal work week, but shall not be construed as a guarantee of hours of work per day or per week, or days of work per week.

5.2 The normal work week shall consist of forty (40) hours per week, exclusive of unpaid lunch periods.

5.3 All work performed in excess of forty (40) hours per week shall be paid for at one and one-half (1 1/2) times the employee's regular hourly rate.

5.4 All overtime work shall be determined and must be authorized by supervision.

5.5 Employees will receive (2) fifteen (15) minute breaks each day, at times scheduled by the County. Employees will receive a thirty (30) minute unpaid lunch period, at times scheduled by the County.

5.6 It is understood and agreed that the determination of the daily and weekly work schedules may be changed by the County from time to time to meet the County's requirements. It is also understood and agreed that the County shall have the right in its determination of the daily and weekly work schedules, to reduce, extend or maintain the hours of work for any employee, and employees shall be required to work as scheduled by the County.

5.7 Employees shall be paid for a minimum of two (2) hours pay if called in to work outside their normal schedule.

ARTICLE VI

Health and Safety

6.1 The County agrees to continue making reasonable provisions for the health and safety of its employees during the hours of employment. The Union and the employees will extend their complete cooperation to the

County in maintaining county policies, rules and regulations as to health and safety.

6.2 All new employees, upon initial employment, shall, upon request by the County, provide satisfactory medical evidence of physical fitness to perform assigned duties and freedom from communicable disease. Such evidence shall include a statement from the doctor of medicine of the employee's choice.

ARTICLE VII

Adjustment of Grievances

7.1 A grievance is defined as a dispute an employee may have with the County concerning the interpretation, application or violation of the express terms of this Agreement by the County. Should an employee have a grievance, it shall be adjusted in the following manner:

Step One. Any employee who claims a grievance shall present such grievance orally, with or without his steward, to his immediate supervisor, within one (1) working day after the occurrence upon which the grievance is based. The supervisor shall give his oral answer to the grievance within two (2) working days after the grievance was presented to him.

Step Two. If the grievance is not settled in Step One, it may be appealed by the employee and his steward within three (3) working days after the answer of the supervisor. The grievance shall be reduced to writing, signed by the aggrieved employee and the steward, and shall specifically state the facts and the section of this Agreement alleged to have been violated. The written grievance shall be promptly submitted to the County Engineer or his designated representative, who shall, within seven (7) working days after a meeting with the aggrieved employee and his steward, give his answer in writing.

Step Three. If the grievance is not settled in Step Two, it may be appealed to arbitration by the Union by written notice of a request for arbitration, submitted to the County Engineer within seven (7) calendar days after the receipt of the County's Step Two answer. Said

written notice shall be signed by the aggrieved employee and a representative of the Union, and shall state the specific section of this Agreement, which is to be considered by the arbitrator. When a timely request has been made for arbitration, a representative of the County and a representative of the Union shall select a mutually agreeable arbitrator to hear and determine the grievance. If the representatives of the parties are unable to agree upon the selection of an arbitrator within ten (10) calendar days of the County's receipt of the arbitration notice, the parties shall jointly request the Federal Mediation and Conciliation Service to submit a list of seven (7) arbitrators. Upon receipt of the list, the parties' designated representatives shall determine by lot the order of elimination and thereafter each shall, in that order, alternately strike a name from the list, and the seventh and remaining person shall act as the arbitrator.

7.2 Employees are encouraged, whenever possible, to present, discuss and process their grievances at Steps One and Two during their non-working time.

7.3 The failure of an employee, the Union, or its representative to appeal a grievance to the next step within the applicable times specified above shall bar an employee, the Union, or its representative from appealing the grievance further, and any such grievance shall be considered as settled.

7.4 The failure of an employee, the Union, or its representative to present or process a grievance within the applicable times specified above shall bar an employee, the Union, or its representative from further pursuit of the grievance, and any such grievance shall be considered as waived. The failure by the County to reply within the applicable times specified above shall be deemed a denial of the grievance, which may then be appealed to the next step.

7.5 An arbitrator selected pursuant to the provisions of Step Three shall schedule a hearing on the grievance and, after hearing such evidence as the parties desire to present, shall render a written opinion and award.

The arbitrator shall have no authority to hear or determine job classifications, nor to add to, subtract from, modify or amend any terms of this Agreement. The arbitrator shall have no authority to substitute his discretion for that of the County in any matter reserved to the County by law or the terms of this Agreement. A decision of the arbitrator, within the scope of his authority, shall be final and binding upon the County, the Union, and the aggrieved employee(s). The arbitrator may not hear more than one grievance unless the presentation of more than one grievance is mutually agreed to by the County and the Union.

7.6 The County and the Union will share equally any joint costs of the arbitration procedure, such as the fees and expenses of the arbitrator and the costs of a hearing room. No transcript of the arbitration hearing shall be made unless requested by a party. The cost of court reporting of the hearing shall be borne by the party requesting the same, except that the other party may request a copy of such transcript, in which case the parties shall equally divide the cost of the court reporter and of the transcripts. Any other expenses shall be paid by the party incurring them.

ARTICLE VIII

Work Stoppages

8.1 The County agrees that, during the term of this Agreement, it will not engage in any lockout of its employees.

8.2 The Union agrees that neither it nor its officers or agents will cause, authorize, induce, encourage, instigate, ratify, condone or participate in any work stoppage, strike, slowdown, picketing or bannering,

including a refusal to cross any picket line, or any other action which interrupts or interferes with the operations of the County.

8.3 No employee shall cause, authorize, induce, encourage, instigate, ratify, condone or participate in any work stoppage, strike, slowdown, picketing or bannering, including a refusal to cross any picket line, or any other action which interrupts or interferes with the operations of the County.

8.4 In the event of a violation of Section 10.3 (e), (f), (g), (h), (i), or 12 of the Iowa Public Employment Relations Act, and/or Section 8.3 of this Article, the Union agrees that it will take immediate, affirmative steps with the employees involved (such as public announcements, letters, bulletins, telegrams, and employee meetings) to bring about an immediate resumption of normal work.

8.5 In the event of a violation of any of the aforementioned Sections of the Iowa Public Employment Relations Act and/or Section 8.3 of this Article, any employee participating in such violation may be immediately discharged.

ARTICLE IX

Seniority and Layoff Procedures

9.1 Seniority is defined as an employee's length of continuous service with the County from his most recent date of hire.

9.2 In the event the County determines that employees will be laid off, the County shall consider qualifications, ability to perform, physical fitness and seniority, and, if qualifications, ability to perform and

physical fitness are equal between or among affected employees, seniority shall govern. Provided, however, that seniority shall not apply to temporary layoffs. Any layoff of fifteen (15) days or less shall be presumed to be temporary, and layoff in excess of fifteen (15) days will be reviewed by representatives of the County and the Union to determine whether it is temporary or permanent.

9.3 Those road employees to be laid off will be notified as soon as possible. Laid off employees shall advise the County of their current addresses and telephone numbers during layoff. If the County desires to recall employees, such employees shall be recalled in the inverse order of layoff.

9.4 The seniority records for employees shall be maintained by the County and shall be available to the Union upon reasonable request. Any protest as to the correctness of the list must be made in writing to the County within thirty (30) days.

9.5 The seniority and any recall rights of an employee shall terminate if the employee retires, quits for any reason, is discharged, fails to report within forty-eight (48) hours after notice of recall, or is laid off for a period exceeding twelve (12) months or his seniority, whichever is less.

9.6 An employee transferred or promoted from the bargaining unit shall retain seniority (for a period not to exceed twelve (12) calendar months) but shall not continue to accrue seniority.

ARTICLE X

TRANSFER PROCEDURES

10.1 Employees who desire to permanently transfer to a vacant bargaining unit position at another maintenance location may file a written request with the County Engineer. Such requests shall be filed for each specific vacancy which is to be filled, and shall expire when the specific vacancy is filled.

10.2 All such vacancies, which are to be filled, will be posted as soon as practicable. A written request for a transfer shall be filed within five (5) working days after the vacancy is posted.

10.3 Employees who have requested transfer to a specific vacancy will be notified when that vacancy no longer exists.

10.4 Notice of an involuntary transfer will be given to the employee affected as soon as practicable.

ARTICLE XI

(d) A regular employee in the continuous active service of the County for eighteen years or more as of the anniversary of his most recent date of hire shall be granted four weeks' vacation (160 hours) with pay at his regular hourly rate.

12.2 The purpose of a vacation is to enable the employee to enjoy periodic rest from his regular job so that he may return to his work refreshed. The vacation year will be the eligible employee's anniversary date to anniversary date. Accordingly:

(a) A maximum of one (1) week (40 hours) of vacation may be carried over from one year to the next. Any additional vacation not taken by the employees next anniversary date will be forfeited.

(b) When a bargaining unit employee leaves County employment, vacations earned and accrued by that employee will be paid by the County upon separation.

12.3 Vacations will, so far as possible, be granted at times most desired by eligible employees so long as they do not conflict with the County's operations; provided, however, that the final right to allot vacation periods and the right to change such allotments is reserved exclusively to the County.

ARTICLE XIII

OSCEOLA COUNTY

LETTER OF UNDERSTANDING
REGARDING WORK SCHEDULES

During the Collective Bargaining negotiations for fiscal years 2007-2008, and 2008-2009, the parties discussed and herewith amplify said discussion in this letter of understanding, which does not constitute part of the collective bargaining agreement, but is subject to the collective bargaining agreement grievance procedure.

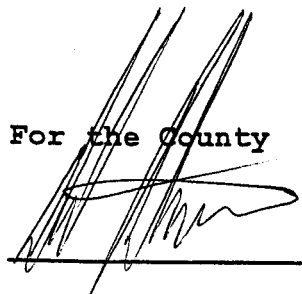

The County represented that during the two year term of the recently negotiated contract, all employees would be scheduled to work a minimum of 65 overtime hours per fiscal year.

The parties acknowledge that the recently created position of Engineering Aid/Equipment Operator will have unlimited hours except in winter time, when the individual filling this position has already worked the minimum guaranteed overtime hours for the year. When this occurs, personnel who have not worked his or her guaranteed overtime hours shall be contacted first to work weekends and holidays.

The parties acknowledge that said overtime hours can and will be scheduled at the sole discretion of the County. In this regard, the County will continue to maintain "...the right to determine the number and starting of shifts, the number of hours and days in the work week, hours of work, and the number of persons to be employed by the County at any time...", all as set forth in the collective bargaining agreement. However, the County represented that it has no present intention of establishing work schedules wherein Saturdays and Sundays are designated normal work days. Both parties signatory to this letter of understanding, recognize that any unilateral change made by the County with respect to the above representations, would require the parties to meet and negotiate such change.
